## TYSL Background Checks

### Who must be background checked with TYSL?

- Coaches and Assistant Coaches (18 years or older)
- Referees (18 years or older)
- Board Members
- Volunteers who come in regular contact with players

### Verify your background check status

Login to GotSoccer ([gotsoccer.com](http://gotsoccer.com) a.k.a. [gotsport.com](http://gotsport.com)), with your Coach/Referee/Admin account (for Coaches, see the document “TYSLCoachRegistration”).

From the menu bar, click Background Checks.

If you have previously completed a background check, the submission date and status (i.e. Approved) will show under Current Background Check Information.

Background checks are good for 2 years. Under Risk Management, you will see the expiration date, i.e.

**Reports older than 8/26/2015 have expired**

If you have never completed a background check, or if your report has expired, or if your report will expire any time during the upcoming season, you **must** apply.

### Applying for a background check

Before applying, make sure get a voucher number from the league (to pay for the application cost).

Click the button to create a **New Report**. Complete all the fields (make sure you scroll left/right and up/down). Enter the voucher number that the league gave you.
