## TYSL Coach Registration

### Background Checks

Once you are registered as a Coach for TYSL's season, you **must** have a current background check. To verify your background check status, or to apply, see the document "TYSLBackgroundChecks".

### Team Rosters

After you have registered as a Coach for TYSL's upcoming season, and once your background check is complete and approved, TYSL can assign you to a team roster.

TYSL will then give you a login for your team.

Again, go to the GotSoccer website ([gotsoccer.com](http://gotsoccer.com)) and click User Login in the top right of the page. Under Teams and Team Officials, click Login.

Under Team Account, enter your Team username and password, and click Login.

You can email your whole team from this account. From the menu bar, click Email Team.

[Home](#) [Events](#) [Game History](#) [Email Team](#) [College Search](#) [Player Suspensions](#) [Help](#) [Log Out](#)

From the links on the page, this is where you will print your team's medical release information. Click View/Print Player Medical Release Forms.

- [View/Print Team Contacts](#)
- [Team Info](#)
- [View/Print Player Medical Release Forms](#)

Review the document to be aware of any player conditions, allergies, or medications. Keep this printout with you at all practices and games, in case someone has a medical emergency. Parents agree to a medical release when they register their player, so you are authorized to seek medical care if parents are not present.

You can also print your roster by clicking View/Print Team Contacts.

## TYSL Coach Registration

### Universal Account

By now you've realized that you have a lot of accounts – one or more Player accounts, a Coach account, and a Team account.

GotSoccer lets you group these into one account with one username/password.

First make sure you know your username and password for each account. If you need to determine any, use the Member Account tab to sign in under Players & Families (for Players), Teams & Team Officials (for Coaches), Referees & Assignors (for Referees), or Organizations (for league Coordinators). If you have forgotten any usernames or passwords, use Account Lookup from the sign in page. If your email address has changed so you can't retrieve your account information by email, contact TYSL.

Go to the GotSoccer website ([gotsoccer.com](http://gotsoccer.com)) and click User Login in the top right of the page. Select the Universal Account tab. Create Create Universal Account and enter your information.

The screenshot shows the 'Login to Your GotSoccer Account' page. On the left, there are two tabs: 'Member Account' and 'Universal Account', with 'Universal Account' selected. The main content area has a title 'Login to Your GotSoccer Account' and a sub-section 'GotSoccer Universal/Mobile Account'. Below this, there is a message: 'Do you have multiple accounts? No problem! [Click Here](#) to create a GotSoccer account so you can switch between all of your accounts with ease!'. There is a GotSoccer logo (a green stylized 'G' with a soccer ball) and a login form with fields for 'Username' and 'Password', and a 'Login' button. Below the form are two links: 'Create Universal Account' and 'Account Lookup'. At the bottom, there is a help link: 'Want to learn more about the Universal Account - [Click Here!](#)'. A final note at the bottom states: 'If you do not wish to create a GotSoccer login, you may still access your account with your original member username and password using the [Member Account Login](#) page.'
